Under Construction. This brand new 2,368-square-foot home is waiting for you. Upon entering the Destin, two bedrooms and a full bath can be found to the side, and a bright, naturally lit kitchen, great room, dining room, and breakfast nook can be found straight ahead. Every aspect of this home design accentuates the open-concept feel, with the kitchen featured at the heart of the home. The kitchen includes a large center island, plenty of cabinet and counter space, and a convenient walk-in pantry. The primary bedroom is located at the back of the home for privacy and features a charming tray ceiling, two walk-in closets, a double vanity, garden tub, and separate shower. A fourth bedroom is also located

at the back of the home, opposite the primary bedroom, and a third full bathroom is fittingly located next to this bedroom. Off of the great room is a spacious covered lanai that provides a great space for relaxing or dining al fresco. Photographs, colors, features, and sizes are for illustration purposes only and will vary from the homes as built.
