Expansive 3-Bedroom Home on .69 Acre Lot with Pools, Garages, and More! Nestled on a generous .69-acre lot, this 3-bedroom, 3-bathroom home is an absolute treasure for those seeking space, comfort, and a multitude of amenities. NEW ROOFS on home and larger garage. As you step inside, the grandeur of cathedral ceilings and porcelain tile flooring will captivate you, setting the tone for

the remarkable features this home offers. Two Master Suites: With one located in the front and the other in the back, this home accommodates versatile living arrangements, perfect for a multi-generational setup or a MIL suite. The bonus room, complete with a 55" TV, is a versatile space that can be transformed into a mancave, game room, or home theater. The kitchen boasts elegant granite countertops and many cabinets with pullout shelves, making meal preparation a delight. Located just off the kitchen, the utility room is equipped with a sink, water heater, and washer and dryer, adding practicality to daily routines. A spacious pantry with etched glass adds an extra touch of sophistication and storage space. Enjoy ceiling fans in every room, Bahama shutters, and plantation blinds, creating a welcoming and cozy atmosphere throughout the home. New Roof and Impact Windows: Rest easy with a brand new roof on both the home and the garage, complemented by impact windows for added safety and energy efficiency. Step outside to the pool area and be greeted by porcelain tile and an invigorating outdoor shower. It's the ideal space for relaxation and entertainment. Two detached garages, a 30x33 and a 24x30, offer abundant storage and workspace, with the larger one featuring a 40' work counter, ample shelving, and a loft with pull-down stairs. Both garages are insulated and equipped with hurricane windows. The larger garage includes a 50-amp RV hookup, making it perfect for RV owners. A 10x12 shed with a 5' door provides even more storage space for your needs. With a new AC, re-piping in 2021, and numerous upgrades, this home is ready to welcome you with open arms. An electric fence allows your pets to roam freely, and a 240' 6" vinyl fence lines the back yard for added privacy and security. This must-see home is not just a spacious retreat; it's also conveniently located to shopping, restaurants, and beaches, making it the perfect combination of comfort and accessibility.
