BACK ON MARKET - Buyer Financing fell through. Now is your chance! Discover your ideal move-in ready home in Englewood, Florida! This spacious three-bedroom, two-bathroom residence boasts a welcoming open floor plan complemented by numerous updates. Enhancements abound, including a new shingle roof and new water heater in 2017, and an upgraded air-conditioning unit

from August 2020. Inside are new stainless steel appliances and updated kitchen, dual sinks, and a shower in the remodeled master bath plus remodeled guest bath. New light fixtures illuminate the home, while large triple sliding doors in the living area allow lots of natural light in. There is a bonus 18x9 Florida room, under air, providing an excellent additional space to enjoy. The property also includes a 10x16 workshop for the DIY enthusiast in your family, alongside a double oversized garage. Don't miss this opportunity to own a meticulously maintained home.
