Rarely Available - 20 Acres with a large 3-bedroom 2-bath, pool home, there's a beautiful log wall and wood-burning fireplace in the family room. The kitchen features Corian countertops and wood cabinets with pull-outs. The separate living room and family room are great for relaxing and entertaining. The home has hurricane-impact windows all around (excluding pocket sliding glass doors), and

the roof was replaced with a metal roof in 2005 for easy maintenance and upkeep. The total property is fenced and cross-fenced with 6 total pastures and 3 aluminum lean-to buildings providing shaded areas for livestock or your equipment or toys. There is also a 5-stall block building and an 8-stall horse barn with water. There are several other locked outbuildings/sheds for storage with power and water. There are tons of room for your horses, cows, chickens, dogs, goats, peacocks, etc. The possibilities of farming and ranching are endless with this 20-acre property, not in a flood zone (flood zone X).
